Last Update: January 13, 2019

This Data Processing Addendum (“**DPA**”) forms part of the Wasabi Customer Agreement or other written or electronic agreement (the “**Agreement**”) between Wasabi entity set forth below (“**Wasabi**”) and _____ (“**Customer**”) to reflect the parties’ agreement with regard to the Processing of Personal Data.

In the course of providing Services to Customer pursuant to the Agreement, Wasabi may Process Personal Data on behalf of Customer. The parties agree to comply with the following provisions with respect to any Personal Data, each acting reasonably and in good faith.

By signing the Agreement, Customer enters into this DPA on behalf of itself and, to the extent required under applicable Data Protection Laws and Regulations, in the name and on behalf of its Authorized Affiliates, if and to the extent Wasabi processes Personal Data for which such Authorized Affiliates qualify as the Controller. For the purposes of this DPA only, and except where indicated otherwise, the term “Customer” shall include Customer and Authorized Affiliates. All capitalized terms not defined herein shall have the meaning set forth in the Agreement.

HOW THIS DPA APPLIES

If the Customer entity signing this DPA is a party to the Agreement, this DPA is an addendum to and forms part of the Agreement.

If the Customer entity signing this DPA has executed an Order with Wasabi pursuant to the Agreement, but is not itself a party to the Agreement, this DPA is an addendum to that Order and applicable renewal Orders.

If the Customer entity signing this DPA is neither a party to an Order nor the Agreement, this DPA is not valid and is not legally binding. Such entity should request that the Customer entity who is a party to the Agreement executes this DPA.

If the Customer entity signing the DPA is not a party to an Order nor any other agreement directly with Wasabi, but is instead a customer indirectly via an authorized reseller of the Services, this DPA is not valid and is not legally binding. Such entity should contact the authorized reseller to discuss whether any amendment to its agreement with that reseller may be required.

Except where otherwise expressly agreed by the parties in writing, this DPA shall not replace any additional rights relating to Processing of Customer Data previously negotiated by Customer in the Agreement (including any existing data processing addendum to the Agreement).

HOW TO EXECUTE THIS DPA:

This DPA consists of two parts: the main body of the DPA, and Schedule 1.

1. The Standard Contractual Clauses in Schedule 1 have been pre-signed by Wasabi.
2. To complete this DPA, Customer must:
 - a. Complete the information and sign on Page 5.
 - b. Complete the information regarding the data exporter in Schedule 1.
 - c. Complete the information in the signature box and in Schedule 1.
3. Submit the completed and signed DPA to Wasabi.
4. Wasabi will sign and return the DPA to the Customer, at which time this DPA will become legally binding.

- (e) that it will ensure compliance with the security measures;
- (f) that, if the transfer involves special categories of data, the data subject has been informed or will be informed before, or as soon as possible after, the transfer that its data could be transmitted to a third country not providing adequate protection within the meaning of Directive 95/46/EC;

The liability of the subprocessor shall be limited to its own processing operations under the Clauses.

Clause 7

 - (a) to refer the dispute to mediation, by an independent person or, where applicable, by the supervisory authority;
 - (b) to refer the dispute to the courts in the Member State in which the data exporter is established.

2. The parties agree that the supervisory authority has the right to conduct an audit of the data importer, and of any subprocessor, which has the same scope and is subject to the same conditions as would apply to an audit of the data exporter under the applicable data protection law.
3. The data importer shall promptly inform the data exporter about the existence of legislation applicable to it or any subprocessor preventing the conduct of an audit of the data importer, or any subprocessor, pursuant to paragraph 2. In such a case the data exporter shall be entitled to take the measures foreseen in Clause 5 (b).

Clause 9

Governing Law

The Clauses shall be governed by the law of the Member State in which the data exporter is established.

Clause 10

Variation of the contract

The parties undertake not to vary or modify the Clauses. This does not preclude the parties from adding clauses on business related issues where required as long as they do not contradict the Clause.

Clause 11

Subprocessing

1. The data importer shall not subcontract any of its processing operations performed on behalf of the data exporter under the Clauses without the prior written consent of the data exporter. Where the data importer subcontracts its obligations under the Clauses, with the consent of the data exporter, it shall do so only by way of a written agreement with the subprocessor which imposes the same obligations on the subprocessor as are imposed on the data importer under the Clauses. Where the subprocessor fails to fulfil its data protection obligations under such written agreement the data importer shall remain fully liable to the data exporter for the performance of the subprocessor’s obligations under such agreement.
2. The prior written contract between the data importer and the subprocessor shall also provide for a third-party beneficiary clause as laid down in Clause 3 for cases where the data subject is not able to bring the claim for compensation referred to in paragraph 1 of Clause 6 against the data exporter or the data importer because they have factually disappeared or have ceased to exist in law or have become insolvent and no successor entity has assumed the entire legal obligations of the data exporter or data importer by contract or by operation of law. Such third-party liability of the subprocessor shall be limited to its own processing operations under the Clauses.
3. The provisions relating to data protection aspects for subprocessing of the contract referred to in paragraph 1 shall be governed by the law of the Member State in which the data exporter is established.
4. The data exporter shall keep a list of subprocessing agreements concluded under the Clauses and notified by the data importer pursuant to Clause 5(j), which shall be updated at least once a year. The list shall be available to the data exporter's data protection supervisory authority.

Clause 12

Obligation after the termination of personal data processing services

1. The parties agree that on the termination of the provision of data processing services, the data importer and the subprocessor shall, at the choice of the data exporter, return all the personal data transferred and the copies thereof to the data exporter or shall destroy all the personal data and certify to the data exporter that it has done so, unless legislation imposed upon the data importer prevents it from returning or destroying all or part of the personal data transferred. In that case, the data importer warrants that it will guarantee the confidentiality of the personal data transferred and will not actively process the personal data transferred anymore.
2. The data importer and the subprocessor warrant that upon request of the data exporter and/or of the supervisory authority, it will submit its data processing facilities for an audit of the measures referred to in paragraph 1.
